Ticket to Nowhere

A New Chapter Begins.

Latest Album *Fractals*

Ticket to Nowhere's latest album is a ticket into a world of contrasts: thunderous breakdowns meet slapped basslines, with lyrics about searching and (not) finding.

Production: Mixed Signals Studio
(Illumishade, Polar Shift)
Mastering: Echochamber (Eluveitie)

Origin: Lucerne (Switzerland)

Genres: Alternative / Progressive Metal

Website: www.tickettonowhere.ch

Next Stop: Nowhere.

Ticket to Nowhere delivers derailing rhythms, atmospheric soundscapes, and unstoppable solos. This Swiss progressive metal band effortlessly breaks the boundaries of the genre, taking listeners on a journey into the unknown.

Radio Support

Kanal K (CH)
Stadtfilter (CH)
Alternative Rock (BRA)
Rockstation (CH) etc.
